

# Let's Get Social

**Description:** This group will be led by a speech-language pathologist and is designed for children who need help relating to their peers. Groups will be limited to 4-5 children between the ages of 3-15 years. Each child will be individually placed into a group that will most benefit them and their learning style. "Let's Get Social" will be held once a week throughout the summer. Goal areas will focus on:

**Skill Builders**  
Speech Language and Occupational Therapy

- using whole body listening
- responding/commenting to peers
- engaging with peers in structured and unstructured play tasks
- developing emotional/play language
- maintaining conversation
- social thinking
- problem solving

For more information about this group, or to register, please contact

**Melissa Plummer**  
M.A., CCC/SLP at

703-941-7757 ext 104 or  
Melissa@skillbuildersllc.com

"Superflex," developed by Michelle Garcia Winner, will also be utilized to help children use and understand flexible thinking and to learn to independently problem solve in social situations.
