

Sensory Social Summer Group

Description: This group, led by an SLP and OT, is designed for children with sensory integration difficulties as well as speech, language, and pragmatic needs. Activities may include: arts and crafts, gross motor play, sensory experiences, fine motor fun, cooperative play, and language enrichment opportunities through social interaction.

This group will be limited to 5 children in order to maintain a high staff:student ratio.

Age range: 3-8 years of age. Each child will be individually placed into a group that will most benefit them and their learning style.

Dates and Times: TBA

Location: Annandale and McLean offices

Rate: \$880 for 8, one hour sessions
